Message from the Prez...

After a nice tenure at the Knights of Columbus in Watervliet things have changed and it is no longer the reliable home it has been to the Albany Area Bassmasters. Getting confirmations of meeting dates takes several days and the building is no longer available on request as it once was. I was hopeful we could work things out, but I am less optimistic. We need to search for a new home. I am hopeful we can find a location that is convenient to everyone. We need to keep in mind we have several members driving in from Massachusetts; Washington, Rensselaer and Schenectady counties.

Thanks to Anthony Curcurito we have a meeting place for this month's meeting: American Legion Post 1231 at 200 Columbia Turnpike. The Melvin Roads Post is just "up the hill" from the City of Rensselaer. Columbia Turnpike (Route 9) is a main artery connecting the Capital District to Mass.. We have had a superficial discussion with the people from the American Legion about the possibility of becoming our monthly meeting place.

We are open to any other candidates and I am still trying to get a better commitment from the Knights.

The American Legion is easy to find once you get to Columbia Turnpike. It is more difficult to provide general directions. If you are not sure how to get there, send me an email or give me or Anthony a call.

Important

We will be meeting **7:30 PM** at the American Legion Melvin Roads Post 1231 at 200 Columbia Turnpike, East Greenbush Thursday June 2, The Post is on Rtes 9 and 20 just past K-Mart

Pike Tournament

Saturday, May 21st the 2005 fishing season was kicked off for Albany Area Bass Masters with the annual Pike Tournament. As I tried to wake up from my nap with a cup of coffee, I checked the weather report. Chance of rain, with 5 mph winds. Not bad, I thought. Well they were partly right. I think the wind blew a little more than 5 mph. Tim Batham arrived with his new ride as did Gene Lavigne. Gene, they say that there are three things you never forget in life: your first Bass Boat and two other things :) Anyway, the team of Al Dickinson and Bill Swinton walked away with first place with a total weight of 26.14 pounds. Second place went to the team of Rich Bishop and Frank Rosetti. Third were Bill Pigott and Jim Underhill. Lunker Pike was caught by the team of George Locke and Brady Moy. Lunker Walleye went to Paul Pflieger and Gene Lavigne. Complete tournament results can be found on page six of this newsletter

Treasurer's Report - Paul Pflieger

Paul reported a checkbook balance of \$4,551.72.

Membership Report - Jamie Dickinson

Jim Turngren was unable to attend the May meeting, Jim has two functions to his credit.

Mike Waitehus made his fifth function and was voted in as our newest member.

Congratulations, Mike, we look forward to fishing with you!

Conservation Committee—Greg Allen

Greg was unable to attend the May meeting. Art Grant mentioned some information regarding new Vermont regulations prohibiting the use of lead in 2006 and 2007. Please read the copy of the enacted law on page 5 submitted by Bill Pigott.

Safety Committee - Tim Bantham

Tim talked about the upcoming vessel safety check to be held at the Pike Tournament on May 21st. Tim also handed out and reviewed a check list of items that could be cause to fail the inspection.

Banquet Committee-Tony Curcurito

Tony reported that everything is all set for the 2005 Banquet.

Old Business

Mike thanked Jamie for his donation of Albany Area Bass Masters Decals to the club.

Lunker Pool - Charlie Curcurito

Charlie Curcurito stated we have 32 members paid. If anyone is still interested in participating, you may still enter by paying your \$15 before the first tournament.

New Business

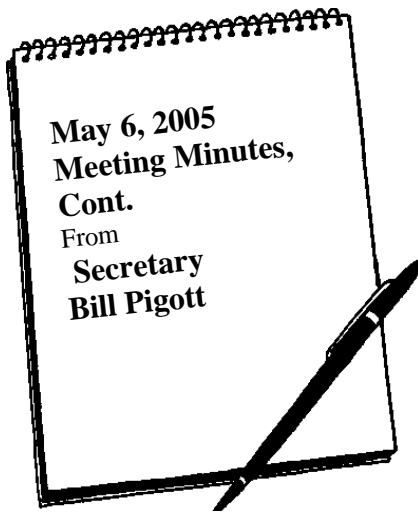

The club would like to wish Jim Greeley a fast recovery. Jim recently underwent surgery for a double hernia. We hope you're back on the water soon, Jim.

It was also great to be fishing with Jim Underhill as he is recovering from rotator cup surgery and doing very well.

Congratulations to Greg and Pam Allen—we understand that they are expecting their first child.

Mike received an email from Will Backes asking if the club would like to participate with a hunting and fishing Task Force. Mike offered to represent us if there is any interest.

It was decided to change the meeting from June 3rd to Thursday, June 2nd to accommodate the people who are planning to pre-fish Rouses Point.

New Business, Cont.

There was a lively discussion regarding the rowing regatta being held on Saratoga Lake, and our rights as fishermen. Mike mentioned the possibility of inviting someone from DEC to one of our meetings to discuss the matter. We also discussed the new speed limits issued by the State Canal Corp. We seem to come up with more questions than answers so Mike asked Tim if he would be willing to get some clarification on the issue.

Charlie Cucurito also reminded everyone that if you are interested in trying to make the Club Team this year you need to have your Federation dues paid before the first tournament.

10 Minute Break

After returning from break we voted in our newest member Mike Waitehus.

Tournament Committee Report - Bill Swinton

Bill reviewed the legal lengths and limits for the Pike Tournament. Bill also thanked Terry Flemming and Nash Alexander for volunteering to use their boats on such short notice. The boat draw for the Pike Tournament was then held. (Always entertaining)

****Keep in mind that there will be three boat draws at the June meeting. If you cannot attend, please be sure to notify the club of your intentions for those tournaments. If you're going to fish but cannot make the meeting, be sure that your money does. Also please make sure that your Boater's Insurance is at the \$300,000 minimum from the \$100,000 that was previously required.**

Motion to Adjourn

Motion was made to adjourn at 9:15 pm. Motion was accepted by Jim Underhill, seconded by Brady Moy.

I DON'T WANT TO MENTION ANY NAMES BUT!

When it happens right in front of you :) Let me start off by saying fortunately know one was hurt or were any Fish injured that said. Jim Underhill and myself were fishing in the same area as a father and son team when we notice the son netting a fish. The dad in order to save time opens the livewell for him, only the son doesn't notice this. As he steps back he finds he is knee deep in water and pickerel much to his surprise. The dad finds this quit humorous as did Jim and myself. The son was a good sport about it also, even though it took most of the day for his sneaker to dry out. I'm pretty sure that was the most weight that has ever been in that livewell. A reminder that stuff happens, we just got lucky and were there to see it :)
