

ALBANY AREA BASS TIMES

MESSAGE FROM THE PREZ

Merry Xmas and Happy New Year to everyone! I hope everyone enjoyed the holiday season, I know I did, I'm polishing off the rest of my Christmas candy as I am typing this!

Well, I guess its official so here here's my first shot at my message from the Prez. I would like to take the time to thank our former President George Locke for what I consider a great job, as I have already learned; this is not an easy task being president. But more of a labor of love so to speak. My thoughts on this may change on this by year's end. But Great Job Georgie!

I would also like to thank my staff of officers, Paul, Dan and Frank. Anyone can be fooled into an office for one year but you guys keep hanging in there thru thick and thin, that's great. FYI- I will only have 11 more months of office after this next meeting and I am currently reviewing the meeting minutes of last October to see who nominated me, payback time... LOL, just kidding

On a more serious note , January's meeting is very important, which we have moved to the 11th due to a scheduling conflict on my part., First- We have a motion on the floor to make a by-law change relative to the tournament off limits time. This has been tabled due to lower than expected attendance in the last meeting so this is the month! We will review the motion, open any further discussion and then vote. Anyone who cannot be present can submit an absentee ballot; we'll try this out by contacting me or one of the other officers by written form with your vote. Secondly we will be reviewing our last year tournament schedule, likes/ dislike and suggestions for this year. Any of course I will have the naughty jar; anyone who acts up has to donate a buck. I'm sure this will generate more club revenue, lol . And lastly we will be having Pizza that night, so if the prior two items don't interest you at least and get a slice.

-Brady
