

ALBANY AREA BASS TIMES

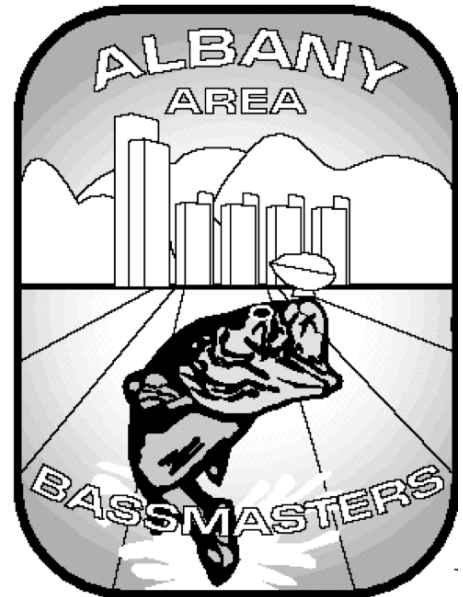

MESSAGE FROM THE PREZ

This Friday marks March 1st, I want to believe that I will have my boat out by April 1st. A man`s got to have dreams! My schedule has been very hectic the last month or so with travel, but at the end of winter so ends my traveling for a few months anyway. I am looking forward to wetting a line that doesn't require drilling a hole first...

Let`s talk a little about fishing! I would like to get back to doing our fish talks again, so please if you would like to be a presenter, let me know. It can be about anything really, we have had some very good presentations on everything from flipping to drop shotting. Guys have even shared their experience through the years. All you BOBA`s feel free to offer your perspective too. Anyways guys, I would like a volunteer, it's a fun thing....

Lastly, I would like to hear from the club about this year`s tournament schedule. The tournament committee had to make a few tough decisions but I really like the schedule myself. We will review that and a few other items, so shake off that winter exterior and I'll see you at the meeting....
