

# ALBANY AREA BASS TIMES

## MESSAGE FROM THE PREZ

Wow, I can't believe we're already halfway through our tournament season. So far, our season has been truly a success and I might add, a lot of fun. The catches have been quite impressive with the winning limits beyond expectations.

With five tournament-fishing days, we have had three of those days with five-fish limits for the full field. I can't remember that ever happening before. Seems like our Tournament Committee should be applauded, not scolded.

With the tournaments that we've had so far, it amazes me how most of us are fighting for one hundredths of a pound; yet, two or three guys just blow the whole thing away. It only proves the amount of talent in this club and how hard it is to win one of these things.

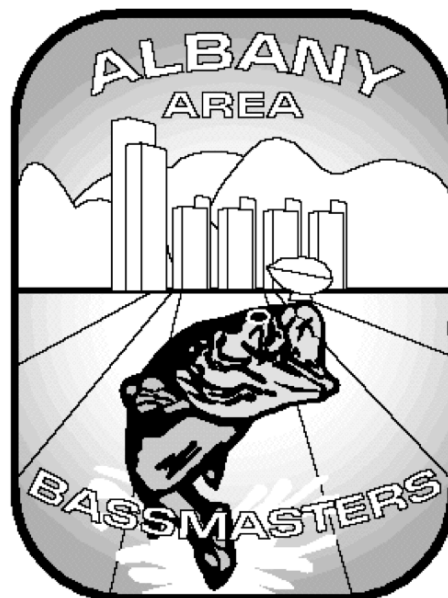

Last meeting we heard how Paul blew us away at Schroon, and now at our next meeting we will hear from Joe as to how he did it to us at Saratoga!

Again, I want to thank you guys for the excellent attendance at our meetings and our tournaments. At our July 27<sup>th</sup> meeting we will have our Sacandaga boat draw, lock down our Husband/Wife tournament for August 11<sup>th</sup>, and give our support for our 2012 Albany Club Team. These guys worked hard last year to make this team, all with one thing in mind and that is to bring home the trophy for the "Albany Area Bassmasters"!

Well let's keep up the good work and put up a good showing at our Sacandaga tournament.

See you at the meeting!

George

Meeting Minutes

From Secretary

Danny Harrington

**Tournament Committee - Frank Rossetti:** June tournaments include a 2-day trip to Rouse's Point, and 1-day at Schroon Lake. The draw was that night. Next month we will draw for Saratoga and Sacandaga.

**Treasurer's Report - Paul Pflieger:** Currently we have \$4124.17 in our checking account.

**Membership Report - Keith Adams:** No report.

**Banquet Committee - George Locke:** Banquet will be held on November 10, 2012 at the American Legion in East Greenbush! They will do food, beer, and have a speaker and podium for us. Very reasonable and

**Conservation Report:** Be safe at Rouse's Point. It's bigger water. Make sure your fire extinguisher, bilge pumps and lights work. Paul Pflieger reports that the water quality at Schroon is AA. Meaning it is fine for drinking water, and contains no green algae. The lake accomplished this by hand harvesting asian millfoil, boat launch stewards, and education about envasive species.

**NYSBCF - CTC entry** has been simplified. It is the 3rd weekend in August. All of our team members are pumped and dedicated. We have a great chance at toppling the rest of the clubs this year on our home turf.

**Legislation:** Our letter about Lake George boat launch restrictions was sent out. We await a reply.

---

**New Business:** WE WILL BE RAFFLING OFF A FISHING ROD AND REEL AT THE NEXT MEETING! BRING CASH!!! IT GOES TO SUPPORT OUR MEN HEADED TO THE NYS CLUB TEAM CHAMPIONSHIP!

Non- Boaters: PLEASE, YOU MUST OFFER YOUR BOATER MONEY FOR GAS! It is very expensive to maintain, operate and tow these boats. They are the backbone of our tournaments. Customarily, expect to offer \$20, or more if you do a lot of traveling. It is up to the boater to make the decision if they don't want to accept any money.

**Joey C finds the his way to  
dominate the field at Saratoga!**
